Call us today on **1800 111 381** for script ranges and limitations. Info Sheet available at www.rxsafety.com.au
Transitions is a trademark of Transitions Optical and **Nupolar** and **Image** is a trademark of Younger Optics.
 All lenses come with Back Coat only. High Prism, Cyl, biconvex and biconcave jobs will incur out of range charges. Full Range NOT included as the list is too extensive. If base curve not specified we will pick the best curve based on frame and power. Fitting supplied plastic lenses is at customers own risk.
